О проведении Летней
онлайн-школы АСЕМ

Руководителям образовательных
организаций, подведомственных
Минобрнауки России

Департамент международного сотрудничества Минобрнауки России (далее – Департамент) информирует, что в период с 15 по 31 августа 2022 г. по линии форума «Азия–Европа» (АСЕМ) запланирована к проведению Летняя онлайн-школа (далее – Летняя школа).

Летняя школа представляет собой образовательный проект, реализуемый Институтом «Азия–Европа» (Малайзия) совместно с Техническим университетом прикладных наук Ашаффенбурга (Федеративная Республика Германия). Тема – «Гражданское участие и устойчивое развитие». Рабочий язык – английский.

Учитывая текущую геополитическую ситуацию, Департамент просит проинформировать обучающихся и сотрудников образовательных организаций о проведении Летней школы и оказать содействие в их подключении к мероприятию в возможно короткий срок в связи с ограниченным количеством участников. Программа и описание Летней школы прилагаются. Ссылка на регистрацию: <http://www.international-office.de/aseм>.

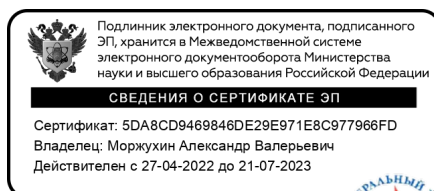

Контактное лицо по вопросам организации и проведения Летней школы: второй секретарь Департамента азиатского и тихоокеанского сотрудничества МИД России А.В. Савенков, номер телефона: +7 (499) 244-36-04, адрес электронной почты: asia-security@mid.ru.

Приложение: на 4 л. в 1 экз.

С уважением,

Врио директора Департамента
международного сотрудничества

AEI-ASEM Summer School 2022 (Online)

Civic Engagement and Sustainable Development **15-31 August 2022 (Lecture Modules: 22-25 August)**

The AEI-ASEM Summer School is an ongoing initiative to enhance the balanced mobility of students, researchers and academics between Asia and Europe in line with one of the decisions of ASEMME 4 in May 2013, Kuala Lumpur. This year's summer school, themed "Civic Engagement and Sustainable Development" will focus on a student-led workshop and forum which allows students to discuss and explore different aspects of the theme in a multicultural setting with participants from Asia and Europe.

This year's online summer school is a flexible 2-week program where participants will work in facilitated groups to discuss cross-cutting issues, engage in interactive group work and prepare for a student-led forum at the end of the program. Participants will also attend online modules with speakers covering various modules in line with the theme.

At the end of this course, participants are able to:

- Identify and explain the role of youths in society through various civic engagement and sustainable development activities in the Asian and European regions.
- Compare, differentiate, or critique issues which serve as barriers to civic engagement and sustainable development in the Asian and European region and beyond.
- Demonstrate awareness of different cultures, heritage values and the roles of youth and millennials in fostering harmony through the appreciation of their roles and their ability to change communities and societies through various civic engagement activities.

Duration:

60 Notional Hours (2 weeks)

Lecture Modules: 6 Hours

Group Activities: 6 Hours

Students Self Learning Time:

- Forum Preparation (28 Hours)
- Short Report Preparation (20 Hours)

Assessment Activities:

- Student-Led Forum
- Written Report (to be submitted after programme)

Hosted by: Asia-Europe Institute, Universiti Malaya and TH Aschaffenburg University of Applied Sciences, Germany
